Commissioner for Patents  
P.O. Box 1450

Dear Sir:

I, Edward J. Lynch, am an attorney representing the Assignee, SenoRx, Inc. The assignee is the registered owner of all right, title and interest in and to the above-identified application. The assignment is recorded in Reel No. 011067, Frame 0259.

The terminal portion of any patent which is granted on the above-identified application which would extend beyond the expiration date of the full statutory term of U.S. Patent No. 6,331,166 B1 is hereby disclaimed on behalf of the Assignee, SenoRx, Inc.

It is hereby agreed that any patent granted on the above-identified application shall be enforceable only for and during such period that the legal title to any patent granted on the above-identified application shall be the same as the legal title to U.S. Patent No. 6,331,166 B1. This agreement shall run with any patent granted on the

above-identified application and shall be binding upon the grantor, its successors or assigns.

No disclaimer is hereby made on any terminal part of any patent granted on the above-identified application prior to the expiration date of the full statutory term of U.S. Patent No. 6,331,166 B1 in the event that it later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. 1.321(c), has all claims cancelled by a reexamination certificate, or is otherwise terminated prior to the expiration of its statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title stated above.
